With great joy The Light of the World will open its doors on Sunday February 09, 2020.

A decade of volunteer work is seen reflected in the colorful mosaic windows; eye catching silver dome; and hand-made sculptures. The fruit of this community effort has transformed the Phoenix skyline, paving the way for more impactful service from a growing church community.

Members of the state of Arizona will gather in this monumental ceremony to celebrate the grand opening. Join us!

The entire event is free and open to the public.
